PRINTING STUDENT PROGRESS CHART

Log in to Skyward Student Management.
Click **Teacher Access**.
Click **My Gradebook**.

Click **Secondary Gradebook** for the class with the corresponding student for whom you wish to print the progress chart.

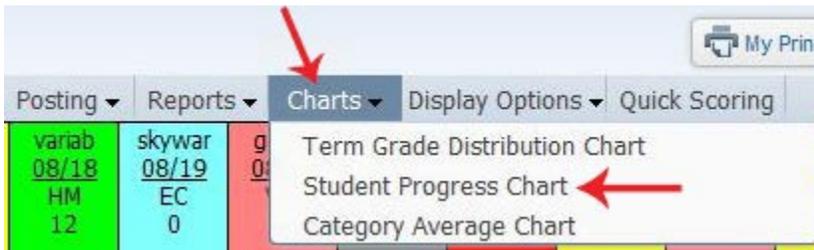

Once the gradebook loads, mouse over **Charts**, then click **Student Progress Chart** from the available submenu.

On the Student Progress Chart, select the **Student** and **Term** for which you would like to generate the progress chart, and then click **Refresh**. This will generate the appropriate progress chart.
Click **Print Chart**, select your print settings (not controlled by Skyward), and print off the chart.
